10. Change

Main reason for change: Minor amendments have been made to the tender document to elaborate on the evaluation criteria for tenderer, thereby increasing transparency, and to enable bidders to prepare healthier and more realistic proposals by inspecting the worksite. Considering the impact of these changes on the bid preparation process, the tender submission deadline has been extended to ensure competition and fair participation.

Description: The changes were made in the “works contract notice” and the “instructions to tenderers documents”.
